

KNIGHTLIFE

BASKETBALL FREE THROW

Our annual free throw was held this month and there wasn't a great turnout but we did manage to get a few. we had two kids show up at Cedar Grove school on January 4th, a brother & sister. we had three participants turn out at West Sechelt school on the 6th.

The event was in the paper a number of times, posters were up a various locations in both communities and the local radio station even plugged it for us, so it was not from lack of getting it out there.

The only thing may be that it was a bit too early, as the kids were still out of school.

We are still waiting to here the date for the regionals in order to let the winners know and to make arrangements to attend.

I would like to thank our youth director Shiloh, and Logan Gregorchuk who helped out at both events, a big thank you also goes out to Keith, Travis & Rick for helping us keep score and run the free throw.

PREP CHRISTMAS PLAY

The Prep classes at St. Mary's put on an excellent Christmas play on December 9th and it was very well attended by the parents and other parishioners. The kids did a very good job, even doing their own prop changes. It was about a half hour long and went by so fast that I for one would have liked to have seen it go longer as it was so well done.

A great deal of effort was put into this project by the teachers and the prep co-ordinator and it showed in the performances of the children involved, which included all grades.

MARION HOUR OF PRAYER WILL BE IN FEBRUARY

The Icon of Our Lady of Charity will once again be traveling throughout our district this year.

We will receive the Icon from Powell River on February 10th and will have it for a week. We will then send it on to Squamish on February 17th.

We will have to co-ordinate with Father Matthew for a couple of dates, so that we

can have the Icon at both parishes.

We might be able to do this after one of the masses so as to have bigger numbers.

This is also the week for our charter night dinner so we will have to find time to do both events, as well Sunday the 14th is Valentine's Day and may be a good time to do it before or after mass.
