## WHO'S RUNNING THIS AUCTION?

*It was with the help of a celebrity that brought the people in at the last minute to make our auction a success. The celebrity is the one on the left.*

*A huge thank you goes out to Knights, Greg Gobbi, Gary Weber, David Short, Travis McDonough, Gerry Gillis, Rick Ross, Pat Walker, Dick Finnegan, John Myerscough, Keith Brind, Gedeon Lizee, & Gerald Sullivan. I would also like to thank all the wives for their help & support, especially those who were a big help in preparing, working the auction and making things, Barbara Gobbi, Patricia McDonough, Pat Myerscough, Cathie Finnegan and of course where would I be without my ever supportive and co-chairperson, Pam Gregorchuk. I am still working on the breakdown for this project, but we made approximately \$1500.00*

### ANNIVERSARIES

NONE

As stated in last months newsletter I will list the missed birthdays and anniversaries for the summer months. Happy birthdays went out to Patricia McDonough, July 05, Cecila Moonen, July 18 & Fr.Bede, July 25. In August, it was Ken Huffman's birthday on the 21st. Anniversaries for Dick & Cathie Finnegan on Aug. 14th and the Myerscoughs on the 24th.

The Arbutus Sounds Chorus got some backup from the first male to break into their ranks.

It seems that the Random Celebrity Guy is just popping up everywhere.

The Knights would like to thank all the ladies for donating their time as well as a quartet for the auction.

Unfortunately the quartet will not include their new male backup as he had to go back to South Coast Ford who so generously donated him along with items totaling \$150.00

### EVERYTHING OLD IS NEW AGAIN

I guess we have all heard that saying before? Well here we go into another new Knights of Columbus year. It will be the same old things, Meetings, Charity Appeal, Meetings, Keep Christ In Christmas, Meetings, Basketball Free Throw, Meetings, Etc. You get the idea. We mostly have the same old projects but we need everyone's help to pull them off. It is important that all members try to make as many meetings as possible.

All the old members should try to bring in one new member. We need the growth for our council in order to give older council members less to do. Our silent auction was a prime example, too many members had to put in a full day because not enough members turned out.

Lets all get behind the old projects, come up with some new ones and make our council one of the top in the District. We did it before and we can do it again.
