GRAND KNIGHT'S REPORT

I would like to welcome all our members to the new council year which starts in September. I am hopeful that you will all put in a greater effort in attending our general meetings, they are the fourth Wednesday of each month at 7 p.m.

As most of you know, I am big on protocol. I like to keep my meetings to about an hour long, this can only be done if strict protocol is followed and we run only one meeting at a time. This means please, no table talk and if you have something to say, please address the chair in the appropriate manner. I will only acknowledge those that do. By keeping the meetings informative and on time, it will leave us time to have a beer or two after the meeting for a little social time.

MEMBERSHIP TO BE OUR TOP PRIORITY

We need to build up our membership as once again we are looking at the same old faces at most of the meetings. We have lost Gerry Gillis as he is moving to Victoria, Gerry was a hard worker and will be missed in a big way as he attended all the beef dips, pancake breakfasts and work parties. He will be hard to replace, but we must try.

I will be doing a membership announcement at both masses on September 14th. I would like all members to think about any of the parish men you know that aren't Knights. This will be the time to approach them and ask them to join our family and help to support our parish priest and promote our catholic ideals. I would like to see us bring in at least five new members this year, we have two waiting so all we need is three more. I am sure there are three more men between the two parishes. Let's find them and then the most important part, ask them to join.

You would be surprised to find out how many men, when asked why they are not a Knight, answer, "I wasn't asked."

This doesn't mean we have to stop at three, let's approach all of them, especially the younger ones. I would really like to see our council grow by about 12 new members in the next couple of years. It is not out of reach if we work at it every Sunday.

Father Matthew has given his approval to do announcements after the masses and so I will be doing more this year. He has also said he would do a few as well. We have our new pastor behind 100 % so let's take advantage of that right from the start and build our council with his help.

Join Us

A lot of our council expenses come from money obtained from our dues account, so please try to pay your dues as soon as you can. They are \$40.00 per year and can be paid quarterly if you can't pay it all at once. You can get in touch with our Fin. Sec. David Short to make any arrangements. His phone number is 604-886-8228 or e-mail him at davidshort@dccnet.com Better still talk to him after a meeting as he attends all of them, in that way, you will not only get your dues paid but will be informed first hand in what is happening in our council.

If you would like to submit something to the newsletter please contact me at 604-885-3124 or e-mail me at tomgregorchuk@dccnet.com I will be happy to add it.
